BK Black Antimicrobial Vinyl

GR Gray Antimicrobial Vinyl

Healthcare Grade Vinyl is treated with an antimicrobial additive that works to repel microbes and prevent odors from becoming lodged in your waiting room furniture. The antimicrobial chemicals are designed to be released over time so that the vinyl will offer a consistent level of protection for the life of the furniture. You won't have to worry about your waiting room furniture becoming more susceptible to microbes over time.

Martini COLLECTION by OfficeSource®

NEUTRAL SPINE – The 135° open hip angle helps to rock the pelvis forward, creating a neutrally stacked lumbar. This serves as the foundation of a healthy spine posture.

PLAYFULLY FUNCTIONAL – Martini combines both play and function, for various types of spaces. Ideal for cafe areas, break room & gathering spaces.

AUTO BALANCING – Martini regains neutral upright position when not in use.

• Seat height buttons easily access under the seat. Height is controlled by a gas spring which is hidden by a cylindrical cover to give Martini a single continuous form.

BK Black Antimicrobial Vinyl

Healthcare Grade Vinyl is treated with an antimicrobial additive that works to repel microbes and prevent odors from becoming lodged in your waiting room furniture. The antimicrobial chemicals are designed to be released over time so that the vinyl will offer a consistent level of protection for the life of the furniture. You won't have to worry about your waiting room furniture becoming more susceptible to microbes over time.

Willow COLLECTION by OfficeSource®

Sleek & Modern with comfort in mind. The low back molded foam upholstered seat and minimalist footrest provide support while sitting. Floor protectors on the frame bottom prevent damage to your wood or tile floors.
